ANNOUNCEMENT Lottery license #m587507

The Board of Directors, staff and members of Sharon Temple National Museum extend our sincere thanks to you for supporting our first annual Draw for a First Class adventure.

The winning ticket for the **Draw for Paris** was chosen on Friday September 4, 2009 at the annual Illumination event at the Sharon Temple, 18974 Leslie Street, Sharon, Ontario.

Our congratulations go out to the owner of ticket #191:

DIAMOND AND SCHMITT ARCHITECTS

The Sharon Temple was chosen "one of Canada's ten most beautiful buildings" in a Toronto Star series. The attached photograph shows the Temple at the illumination, which is quite a spectacular sight.

The building and grounds at The Sharon Temple site require ongoing preservation and maintenance work in order to protect their immense heritage value. Funds raised from the **Draw for Paris** will help to preserve this extraordinary national treasure.

Thank you for your support!
